them."**

The 315 Wingtip in Artist's Camo and Billiard Green

Introducing Pinnz Sport Canvas Originals: classic shoe styles reimagined as canvas tennis shoes, just for the fun of it. The bowler, the wing tip, the saddle, the buck. (which all have roots in sports, by the way). A preppy/punk style mash up of creativity and irreverence in tried and true models that look good on everyone. Washable canvas that gets better with age. Self expression for you feet.

Here's a snapshot of what we're up to.
